## JUGALBANDI # 1

American Bourbon Barrels & Moscatel Cask

*A harmony that echoes a chorus grander than time. A tune where two different instruments resonate as one and two styles beat in one symphony. The ancient Indian art form of Jugalbandi is an exquisite endeavour - now distilled into The Rampur Jugalbandi expression.*

Matured in American Bourbon Barrels in the quintessential north Indian climate to attain the classic characteristics of Rampur, this creation is a true ode to the spirit of reciprocity.

The malt is finished in bespoke Moscatel casks from Portugal to create a Jugalbandi of sweetness and complex spiciness, laced with aromas of dark dried fruits - raisin, dried plum and grapefruit.

### Nose

Fruity top notes of lychee, mango and hint of anana as the cask imparts sweet and spicy malt notes, adding depth to the aroma and body

### Palate

Sweet vanilla from first-fill Bourbon followed by zesty, floral and spiciness of muscatel cask, leaving a balanced creamy mouthfeel and sweet taste that lingers

### Finish

A satisfying aftertaste: a never-ending Jugalbandi

### JUGALBANDI # 2

#### American Bourbon Barrels & Calvados Cask

*In the world of music, Jugalbandi translates into 'entwined twins.' Just as two solo musicians and instruments own the stage in an exquisite partnership, the essence of the ancient art form is now distilled into the Rampur Jugalbandi expression.*

The exclusively distilled Rampur Indian Single Malt Whisky is matured in American Bourbon Barrels in the north Indian climate. This unmatched combination infuses the creation with the classic characteristics of Rampur. The malt is finished in handpicked Calvados casks from Normandy France, to create a *Jugalbandi* that imparts an extra layer of baked apple aroma and fruits like pear, hint of apricot and honey.

#### **Nose**

The cask lends sweet and spicy malt notes, adding depth to the aroma and body where fruity top notes like Lychee, mango and hint of banana make a statement

#### **Palate**

Dried apple, apricots, raisins, and the Calvados cask finish contributes to the body and complexity making the whisky deliciously fruity

#### **Finish**

The finish is long and exuberant: a *Jugalbandi* like no other

**WORLD MALT WHISKY**

# SANGAM

World Malt Whisky

**Sangam**, a name derived from the Hindi word for "confluence," evokes the image of two powerful rivers merging to form something greater than the sum of their parts. "Just like the rivers that flow from different directions, Sangam World Malt Whisky represents the convergence of the rich traditions of the East and the expertise of the West in the art of whisky-making.

**NOSE** - Right from the start, Sangam offers a hint of tropical fruits such as lychee, green apple, pears and apricot, followed by delicate notes of citrus and floral tones of rose and heather. The sweet aroma of honey, vanilla, and caramel toffee perfectly complement the spices of cinnamon and nutmeg. Subtle hints of salty and peat smoke embrace the senses without being overpowering.

**PALATE** - The palate offers a complex and creamy depth of fruity aromas that is perfectly balanced with delicate peaty and salty notes. The peat smoke gradually transitions to reveal an interplay of spices such as cinnamon, nutmeg, and oaky vanilla, with a hint of honey and wine-like texture.

**FINISH** - The finish is pleasantly long, leaving a lingering sensation on the palate, further enhancing the taste and aroma.
